RE: The Unsolved Murder of (Name and date of murder)

On September 12, 2009, from 9-11 p.m., THE HALLMARK CHANNEL will broadcast CITIZEN JANE, the astonishing tale of JANE ALEXANDER, who was the co-founder of CITIZENS AGAINST HOMICIDE, a group of which I belong. A book, also called CITIZEN JANE, will be published on August 29, 2009, which captures every detail of her extraordinary struggle for justice.

Jane Alexander is an icon in the victim's rights movement. She spent 13 years tracking down, collecting evidence against, and hounding the criminal justice system to win a conviction against the man who murdered her 88-year old aunt.

Jane went on to be instrumental with the police and helped solve 20 homicide cases and bring hope and direction, via CITIZENS AGAINST HOMICIDE, to thousand of victim's loved ones. Her story has gained enormous national attention on Dan Rather's "48 Hours", Larry King Live, and PEOPLE magazine.

Her story is my story.

(ADD A PARAGRAPH OR TWO ON THE DEATH OF YOUR LOVED ONE. BE BRIEF, BE TO THE POINT, DON'T GIVE THEM EVERY DETAIL AND ALL THE INFORMATION. YOU HAVE TWO PARAGRAPHS TO GRAB THEIR ATTENTION AND MAKE THEM WANT TO TELL YOUR STORY. THIST MUST NO BE MORE THAN ONE PAGE. IF YOU NEED TO TRIM SOME OF THE OTHER INFORMATION I HAVE INCLUDED, DO SO. BUT DON'T TRY TO TELL EVERYTHING)

The publication and broadcast of Citizen Jane will bring national attention to the thousands of unsolved homicides . I ask you to take up the cry for justice in the murder of my loved one, and help bring the Citizen Jane story – our story – to your audience, in the hopes it might lead to JUSTICE.

Thank you...
